Barrel Aging: 22 months in
100 % new French Oak
from the Troncais region
Bottling Date: 11 Sept. 08
Cases Produced: 50

This is the release of our second "Reserve" wine. This is a designation that we save only for our finest wines from the best vintages. The last "Reserve" wine was 2003. 2006 was an exceptional vintage in the Sierra Foothills. Sitting on the edge of the South Fork of the American River brought us the cool nights that we needed for slow ripening throughout the extended growing period. Almost two years of ageing in new French Oak from the Troncais region developed the complex aromas and interaction of oak and fruit. The wine was bottled unfinned and lightly filtered.

Explosive aromas of blackberry, cassis and cedar provide an enticement to the ripe plum flavors. Rich and full bodied the wine shows supple tannin structure and finishes with lingering impressions of berries and sweet oak. Tasting great right now this wine will add to any fare and give enjoyment for another five to ten years.

Paul
