Wine

Alcohol: 12.8%
pH: 3.47
Total Acidity: 0.80 grms. /100ml
Barrel Aging: 4 months
Residual Sweetness: 0.46%
Cases Produced: 60

Winemaking Notes

For the 2010 vintage we again utilized overnight skin contact to intensify aromas and giving a slightly deeper rose color. With a deeper color I decided I could blend our first harvest of Gewurztraminer (barrel fermented in new French oak) to add another layer of complexity and still keep the bright light magenta color. The 2010 was 100% barrel fermented and further aged an additional 3 months in 20% new and 80% one year old Allier French oak barrels.

Tasting Notes

A deep rose / magenta color leads to expressive aromas as the wine explodes with bright cranberry, strawberry, and grapefruit aromas. Flavors follow to a clean lingering finish.

Released for Valentine's Day, and wonderful accompaniment to seasonal crab, this wine is perfect for spring and summer enjoyment and will bring cheer to any event. A great quaffer to enjoy with friends.

Paul
