Barrel Aging: 100%  
older French &  
American oak barrels  
Bottling Date: 14 Oct. 2021  
Cases Produced: 100

Winemaking Notes

The extremely popular Redbird Canyon continues as a unique Rhone inspired wine with a California twist. Syrah does especially well here in the Sierra Foothills and combining it with our Estate Cabernet Sauvignon adds flavorful depth to the blend.

Tasting Notes

Raspberry, violets and spice spring from the glass. Moderately full bodied yet supple in finish, this is a great wine to enjoy with any fare.

Paul
